

State Action on PFAS

States Take Lead on Restricting PFAS Chemicals

Updated July 2024

Per- and polyfluoroalkyl substances (PFAS) are negatively impacting public health. States are proactively adopting upstream measures to address the ongoing PFAS crisis. With contamination reaching alarming levels and the cleanup costs running into billions, urgent action is needed.

Class-based PFAS phase-outs in key sectors with implementation years

* not class-based; covers some PFAS substances but not all

** ongoing regulation

★ indicates the state was the first to adopt policy banning PFAS in that specified key sector

Notes on product categories

Carpets/Rugs:	Ban applies to new carpets and rugs but not to those in the resale market.
Cleaning products:	Products used for domestic, commercial, or institutional cleaning purposes.
Cookware:	Includes houseware items, not professional cookware.
Fabric Treatments:	Includes but not limited to stain resistance or water resistance.
Firefighting Foam:	Includes bans on the manufacture, sale, distribution, and/or use of firefighting foam containing PFAS chemicals.
Food Packaging:	Some bans include all food packaging (CT, MN, RI, VT), while other bans include only paper-based food packaging (CA, CO, HI, MD); the OR ban covers all foodware containers but not all packaging.
Juvenile Products:	Product designed for use by infants and children under 12 years of age; does not include electronic products.
Menstrual Products:	CO, ME, and MN name menstrual products in a ban, but other state laws banning PFAS in textiles also cover menstrual products.
Pesticides:	Includes substance or mixture of substances intended for preventing, destroying, repelling or mitigating any pests; use as a plant regulator, or as a spray adjuvant.
Ski Wax:	Includes ski and snowboard wax and tuning supplies.
Textile Articles:	CA, CO, and MN laws includes all textiles customarily and ordinarily used in households and businesses; WA policy covers indoor textile furnishings and upholstery. Apparel is considered a separate category and is not a “textile article.”
